CAP is excited to announce that we are expanding our team in SW Washington! We are currently hiring a 1.0 FTE Clinical Case Manager to provide high-quality, coordinated, strengths-based social services consistent with the agency's mission. The individual helps guide a caseload of up to 70 medium and high-barrier and/or Medicaid-eligible individuals living with HIV through the continuum of HIV-related and other relevant systems of care. This requires maintaining an awareness of cultural issues and developing effective relationships with a diverse client population.

Responsibilities include: screening clients for psychosocial needs, developing goal plans, implementing effective interventions and monitoring client progress; assisting clients with applications for insurance, public assistance benefits, etc., and monitoring the process from initiation through formal decision; providing information and referral to a wide range of community services; providing advocacy within multiple settings including educating clients to self-advocate when appropriate; providing problem solving interventions as needed to assist client's completion of their goals; working closely with providers and inter-disciplinary team to facilitate client care and resolve short-term needs. The Clinical Case Manager will support CAP's efforts to increase staff knowledge and competency around mental health issues as related to HIV and barriers to medical engagement, and will provide consultation and support to all members of the SW Washington team who are working with PLWH who have a co-occurring Mental Health diagnosis.

The person in this position is stationed in CAP's Vancouver office and will travel throughout the Clark, Cowlitz, Skamania and Multnomah County service area for meetings and client home-visits. Occasional evening and weekend work, a state-issued driver's license and access to a personal vehicle are required. This is a non-management, union-represented position.

Required Qualifications:

- Master's Degree in Mental Health Field (Social Work, Psychology, Counseling)
- Prior experience working with persons with severe and persistent mental health challenges
- Prior experience providing case management (or similar) services
- Demonstrated computer proficiency using Microsoft Office software (Word, Excel, Outlook) and working knowledge of the internet
- Excellent written and oral communication skills
- Successful experience working with ethnic, racial, economic and sexually diverse populations and persons who have experienced homelessness, persons with a mental illness and/or

substance addiction

- Demonstrated ability to effectively collaborate with community stakeholders
- Excellent organizational and time management skills
- Ability to work independently with accountability and exercise sound judgment, discretion and professionalism at all times
- Valid driver's license and access to a reliable vehicle
- Available to work occasional evenings and weekends

Preferred Qualifications:

- Professional Licensure or certification (LCSW, LPC, CADC)
- Verbal and written fluency in English and Spanish
- Knowledge of community resources in Clark and Skamania Counties
- Previous experience working with people living with HIV
- Previous work experience with consumer health insurance and/or knowledge of Washington State health insurance options

Compensation: \$51,000 annually, based on the union contract; employer-paid health, dental, vision, short-term and long-term disability and life insurance; 401(k) retirement plan with generous employer matching contribution, 125C cafeteria savings plan; generous vacation and health leave benefits.

NOTE: This is a union represented position.
